Other Information

Tuition rates are based on a 38-week academic year. The annual tuition covers the entire school year and is calculated to account for all scheduled school closures (Federal Holidays, select Teacher Workdays, Parent-Teacher Conference Days, Winter Break, Spring Break, Summer Transition Week, and Summer Vacation).

As such, no adjustments or refunds are provided for school breaks, absences, or vacations.

THE WOODS requires 30 days written notice of your intent to withdraw from the school. Refunds will be issued in accordance with our refund policy. Please see the Parent Handbook for details.

Tuition for children enrolling mid-year will be prorated to reflect the number of weeks your child will be in attendance. Please note the monthly installment for prorated tuition may be higher or lower than the rates listed above depending upon the timing of enrollment.

Tuition rates for your child will be determined by his or her classroom placement on the first day of school and will remain at that rate for the entire school year. Placement is based on your child's age prior to September 30. A transition to another level (i.e. Infant to Toddler or Toddler to Primary) will not result in a tuition rate change until the following school year.

2026 Summer Camp Additional Fees

DEPOSIT

There is a \$500 non-refundable deposit due with the Summer Camp registration. The deposit is applied to the overall Summer Camp tuition, and it will be charged on or about February 15th via FACTS.

EXEMPTION WAIVER

All returning students wishing to enroll in a Full Day Program for the School Year are **automatically enrolled** in Summer Camp.

An exemption waiver will be considered on a first-come, first-served basis with the re-enrollment packet. Exemptions will have a **non-refundable \$500** processing fee that is not applicable to any future tuition payments to cover the administrative costs associated with recruiting and enrolling additional children in your child's place.

Exemption waivers are not guaranteed. Exemptions are entirely dependent on The Woods' ability to fill your child's Summer Camp space. Therefore, please know that the only way to guarantee your child's space for Fall is to register for Summer Camp or to accept that you are still responsible for payments should a waiver be unavailable, and you do not attend.

MATERIALS FEE:

There is a \$70 materials fee for Camp due on June 1st.

2026 Summer Camp Other Information

There are **no discounts** (siblings or in-full payment) for Summer Camp. There are **no refunds** for absenteeism or early withdrawal from Summer Camp.

Summer Camp spaces are limited, and first priority is given to children who are returning for the following School Year and Kindergarten students completing their time at The Woods prior to moving on to First Grade. Second priority is given to new families who are enrolled for the upcoming School Year. Third priority is given to children who are eligible to return for the upcoming School Year, but have elected not to return, and have a younger sibling who is enrolled for the upcoming School Year. Any remaining spaces will be offered first to children who completed the School Year, but are not returning (and do not have an enrolled sibling), and lastly to children applying only for Summer Camp.

Tuition for children enrolling mid-summer may be prorated to reflect the number of weeks your child will be attending Summer Camp. Please note that the monthly installment for prorated tuition may be higher or lower than the rates listed above, depending upon the timing of enrollment.
